***RE: Invitation for Informal Dinner with Craig Stegman***

Dear Chairman Rambler:

The Managing Director for Rio Tinto Major Projects, Craig Stegman, will be visiting the Resolution project on Wednesday May 1<sup>st</sup>. We are inviting several government officials within the region for a dinner with Craig Stegman on Wednesday evening in Superior at the Magma Club starting at 6 p.m. Invitees include mayors within the Copper Triangle, members of the boards of supervisors for Pinal and Gila Counties, and state legislators representing District 8.

Mr. Stegman plans to provide a high level update and global perspective on Rio Tinto. I apologize for the short notice, but I would be honored if you could attend. It would be a great opportunity to informally meet with our leadership as well as discuss issues that have been raised by you and others.

As I've mentioned in the past, please rest assured that if you'd rather have a meeting of your own, we can come to you at another time and venue that suits you. Please let me know.

Please don't hesitate to contact me directly at 520.689.3250 if you have any questions.

Sincerely,

Andrew Taplin

Project Director
